Additional information

Sale requests typically take one to five business days to process after the deposit has been completed, if applicable. Proceeds, less fees and commissions, that are sent by direct deposit are typically sent to your bank on the third business day after the sale. Availability of these funds depend on your bank's posting standards. Checks for sale proceeds, less fees and commissions, are sent two business days after the sale date. Please allow up to ten business days to receive the check; international mail may take longer.

All requests will be executed in accordance with the terms and conditions defined in your plan documents. Once a sale has been submitted to Shareowner Services, it cannot be modified or cancelled. You are unable to direct the date, time, or price at which the shares will be sold. The share price may fall or rise during the period between a request for sale, it's receipt by Shareowner Services, and the actual sale in the open market. This price risk is assumed by the shareowners.

Direct deposit of sale proceeds:

- Provide us your account type, nine-digit ABA/routing number (begins with 0, 1, 2, or 3), and bank account number.
- Direct Deposit requests must include a corresponding pre-printed voided check or pre-printed savings deposit slip.
- If the names on your bank account do not match the names on your stock account a check will be issued.
- If information is incomplete or inaccurate a check will be issued.
- If Direct Deposit is not offered a check will be issued.
- If sale proceeds exceed \$10,000 a check will be issued.
- The account number in box one must be filled out correctly or a check will be issued.

Certificate deposit:

To sell certificate shares, you must mail in the original stock certificates with this form. We recommend you do not sign the back of your certificate. We recommend mailing certificates to us using traceable mail and insuring the package for 5% of the current market value. If certificates are lost, please notify us immediately. There may be fees to replace a lost certificate.
